TESTIMONIES

RUCHI K LAMBAA

"If you want to turn your holiday trips to memorable vacation in your doodle diary, La Esperanza is the one. A team of few amazing talented, self motivated, highly enthusiastic and yes knowledgeable people who meticulously draft your plan with all minute details based on your taste and kind of vacation you want. (the best I liked was the exhaustive list of Indian restaurants in a place like Hong Kong for the veggies out there) These people know their job pretty well. I have seen the same dedication in planning and response whether its a small or a big group, national or international holiday. My all 5 stars for them."
